The Director of Central Intelligence

Washington, D.C. 20505

Intelligence Community Staff

1 October 1986
DDW-185WEEKLY ACTIVITY AND STATUS REPORT FOR THE DD/ICS--1 October 1986CIPC Organizational Activities

- Jim departed on 1 October for a three day TDY to the Air Force Academy.
- Tony returned to the office on 29 September after two weeks of active military duty with J-2 EUCOM.
- On 26 September Jim briefed the Chairman and Vice Chairman of the COMIREX on CIPC's [REDACTED]. It was agreed at the meeting that both staffs will keep each other informed concerning [REDACTED].
- The China Report has returned from the printers, and distribution should start this week.
- Rich was at NSA on 29 September. He will complete his CIPC tour in the Spring and had begun to investigate reassignment prospects.

NFIP Support to Limited Military Operations (formerly called contingency operations) - [REDACTED]

- A revised draft is being typed and should be available for working group members by week's end. A meeting of the working group has been scheduled for 10 October to review the draft, which now includes recommendations and conclusions.

SDI- [REDACTED]

- Last week Rich and [REDACTED] completed drafting a strawman version of the SDI study. Working group meetings to flesh out the strawman started on 30 September, and if everything goes well final coordination should be accomplished by the end of October.
